BARGES FOR SALE AND RENT

PASCAGOULA, MISS.

in the interest of the O.S.T. As a metter of fact I have already make several trips along the line and I think I am entitled to this pass. Strickly Q.T. I have talked this matter over with Dr Martin and me assured me that this would have his support when the matter is presented. If you think well of this matter please write at once as the board will meet on next Monday and I sure that Dr will " Put It Bye " for us.

With best wishes and regards, I am.

Yours very sincerely,

Claude
