DEPARTMENT OF HIGHWAYS
AND PUBLIC WORKS

Nashville
April 2, 1924

FILE General

Mrs. J. T. Smith,
114 Gunter Hotel,
San Antonio, Texas.

Dear Madam:

I have your letter of March 25th addressed to the Attorney General of Tennessee which has been referred to me for reply.

Chapter 77 of the Public Acts of 1921 require that no person shall erect a sign of any character upon the right-of-way of any street, road, or highway (outside the incorporated municipalities) within the State of Tennessee designated by the State Highway Department as a main travelled road and included in the general Highway plan of the State, unless such person shall have first obtained written permission from the State Highway Department for the erection of such signs.

The Department is adverse to the placing of any advertising signs on State Highways.

Yours very truly,

C. N. Bass,
First Assistant
State Highway Engineer.
