

are at Cattarina Station
Abandoned and now this
work will be finished
by Judge Milderthal
Assisting in securing proper
person to haul off and
erect to the Rio Grande.

I am wishing to get these
boulders all placed by
January 1st when it is planned
to dedicate the trail on the
border and the Governor
has consented. Will you please
write me the estimate for the
erection of the boulder?
Very sincerely - Mrs L. Norvell

Dear Judge Del Hansen -
Your letter in reply to my
letter states - "There is one
monument about 1 1/2 or 2 miles
East of Cochina Ranch in
this County, that has not
been erected according to
contract, and that it was
lying on ground when finished."
I am writing to ask you
to have this monument erected
