NEW YORK OFFICE;

San Antonio, Texas.

Dec. 16th 1929.

Mr. Harral Ayres,
Box 301,
Gunter Hotel,
City.

Dear Mr. Ayres:

Replying to yours of the 13th instant, beg to say that, I certainly regret to see you leave the Old Spanish Trail Organization, because you have certainly been most successful in it. It has been a work of love, without remuneration.

As to connecting yourself with some financial institution, I believe if I were in your place I would speak to our Mr. Wittchell, here in the store, who is associated with a number of industrial banks and they are always opening new ones, and I believe a connection could be made there. If you do not know him, I will be glad to introduce you to him. Come in any afternoon and I will be glad to go with you. Any other assistance I can give you I shall be very glad to give.

With kindest personal regards, I
am,

Sincerely yours,

HhOh
