Francis has met with foul play
at Deans hands.

We find Dean hid about everything
he told. a Detective can locate
Deans wife & baby in person. &
thru the Dean can be found
and thru him we will learn
what has become of Mr Francis
He paid that Francis paid 1 month
rent & left in 1 week looks as if
he was either coming back or
surprised to leave.

Dean claims that his father had
operated a deal on the proposed land
Prize deal in Florida a few years
ago. I hope you will succeed in
landing either one of those men
or both. but I fear Francis has
met with foul play. I do not
know anything about this
