Mrs. J. T. Smith, Chairman, Comm. on Advertising,
Department of Beautification,
The Old Spanish Trail,
114 Gunter Hotel,
San Antonio, Texas.

Dear Madam:

Re: Wisconsin law relating to
billboards.

Wisconsin has a law on this subject
and I have transmitted your inquiry to the Wis-
consin Highway Commission. It will arrange to
send you detailed information. The women of
the state have also interested themselves in
beautifying our highways and it is very interest-
ing to note that you are outlining a program in
Texas.

Sincerely yours,

HERMAN L. EKERN
ATTORNEY GENERAL
