Dear Sir:

Your letter of October 12th is received, and we appreciate your sending us another copy of your Log Book. As our files are not located at this office but at our South Yarmouth "Workshpp" we could not at the moment tell whether you had previously sent us copy or not. However we thank you for your prompt attention to the matter.

We are writing as per your suggestion to Mr. Harry Locke, Field Engineer, at Dallas, Texas, for copy of your new Route Book showing north and south connections.

Thanking you for your interest and cooperation, we are

Yours very truly,

for *Charles Henry Davis*
President.
