Mr. S. A. LeBlanc, Secretary,
Old Spanish Trail Association,
Mobile, Ala.

Dear Mr. LeBlanc:

"Veni, Vidi, Vici" would about express it?

I certainly thank you for writing to the Governor, here, and also thank you for including me in your recommendation. The Governor was very prompt. I hope you can join the party at Washington.

Mr. Cocks, State Highway Engineer, just called. He expects to be in Washington on business, in July and later on, so may be on hand to swell the delegation. He likes to assist and not always serve as a delegate, so for this reason I did not suggest him for appointment,—not wishing to embarrass him in State affairs; he has troubles of his own with road work and getting co-operation in some counties, etc.

A letter from Hon. J. D. Smith, Secretary of the State Road Department, Marianna, informs that he has received his appointment from Gov. Catts and will try to go. He says: "I suppose it will be expected of everybody to pay their own expenses, but I think some provision should be made to cover this expense in order to have a full delegation meet there at Washington." I wrote him about that \$2.50 per thousand population. Have you sent out the "S.O.S." for this? I wrote to Jax, Tampa, Miami and Pensacola, but have not received answer, yet. Will keep you posted. Thanks for copy of Governor's letter. We overlooked Congressman W. J. Sears, Florida, but have sent him the same wire, signed by Gov. and Cabinet, plus Mr. Cocks. Best wishes. Very truly,
F. R. S. Phillips
Secretary.
