Dear Sir:-

Under separate cover I am sending you two photographs of the Blackwater river bridge; as soon as I can get some additional prints of the Apalachicola river bridge, which will be the end of this week, will send you a copy.

The amount of Federal aid on the Blackwater river bridge is \$78,858.45; on the Choctawhatchee river bridge, the Federal Aid amounts to \$106,749.50; the Apalachicola river bridge shows Federal Aid to the amount of \$208,515.08.

The total cost of the Apalachicola river bridge including the approach spans now under contract is a little more than \$550,000.00.

Any further information I can give you I will be glad to do so upon request.

Very truly yours,

James Austin Mottland
Bridge Engineer
