My dear Mr. Ayres:-

I received your letter of the 3d instant today, enclosing letter from my good friend, Captain John Craft. I am in hearty sympathy with your efforts to establish the old Spanish Trail, and especially in your work in trying to secure the building of the bridge over Mobile Bay. If I have an opportunity to be of some assistance I shall be glad to avail myself of it.

I hope you will always be successful in your efforts in Washington.

With best wishes, I am
