Dear Kenneth -

Here is what is provable - and each statement is backed by data & documents for any emergency.

I would suggest you and I get together for a careful conference - at night if you wish.

Now let me say this. I would not say it before for I wanted this Committee to work itself out fairly. I have been prepared for five weeks to force the fight all across the OST. I am prepared & experienced, and a fight on this issue would rouse the people & give us a real convention. But it would probably destroy San Antonio's leadership. For this reason only I appointed this Finance Committee & inaugurated this move. I returned
