FORM 1675

Chicago, March 16, 1918.

Mr. S. A. LeBlanc,
Spanish Trail,
Mobile, Alabama.

Dear Sir:-

In making up your mailing list for 1918, will you please see that my name is included among those to whom you send your bulletins and news bulletins regarding your highway? In the last few months, I have failed to receive these bulletins from associations from whom I formerly received them and I suppose this is due to the fact that in many cases mailing lists have been revised.

Very truly yours,

Rambert E. Sullivan
