Gentlemen:-

Kindly send to Mr. Thos. P. Turner, Secretary-Manager, Vermillion Chamber of Commerce, Abbeville, any magazines, maps, etc. of the O.S.T. that may be of assistance to him in interesting the people of his section in this route.

There is a project to build a highway thru Vermillion Parish and Mr. Turner wants it to be known as a part of the O.S.T. if history entitles it to the name. He has written to me for information. While deeply interested in this highway and in the old name being kept instead of "Pershing", the new name, I have not records on file from which I can draw for full and correct information.

As a Councillor I would like to have maps, magazines, etc. and will appreciate your letting me have what material you may have, paying for same on receipt of invoice.

Very truly yours,

Mrs. A. F.
