

June 5, 1917.

Mr. W. H. Bouslog, Director,
Gulfport, Mississippi.

Dear Sir:

I am continually receiving inquiries as to whether the road from Biloxi to Pass Christian along the front has been completely restored and shelled.

Please advise me about this and any other information you think would be of interest to tourists, as I would like to give the Gulf Coast some publicity in the Bulletin.

Yours truly,

SECRETARY.
