

one moment-been shaken - &  
the few evidences of real rec-  
ognition of what you have  
done to give the people of  
our country a Coast-to-Coast  
Boulevard Over which the  
peoples of the world may  
drive in Comfort - are all  
too few for justice.

I am truly pleased that  
your Spanish friends have  
paid you such wonderful  
marks of respect & appreciation  
& wish to most heartily congrat-  
ulate you & hope to give you  
a genuine handshake &  
"hug" in reality when you  
make that tour over the  
dear "Old Spanish Trail"  
at Las Alamos Senior.

Theresa Ayers of the Order  
Isabella La Catolic.

Hoping you may soon be coming  
for the promised rest - in "Old Baldwin"  
Loveingly, your friend  
Mrs Thomas A. Banning -
