My dear Mr. Ayres.

Congratulations. You  
are doing big work for the  
Country, as well as for the  
O.S.S. I have asked the

Chairman of the Joint Com-  
mittee (Jackson & Gadsden counties),  
Mr. J. H. Sylvester of Quincy (who is  
Ch. of Co. Commr. of Gadsden) to  
arrange so you can follow  
the program for ceremonies,  
before the crowd adjourns,  
and to also let the Havana (Club Ho.)  
have a brief place, at end of the  
program, introducing you. It  
will not be feasible to hold a  
separate meeting on that day,  
I will have to work that out later on.  
Keep me posted. Best wishes.
