Old Spanish Trail Association,
San Antonio, Texas.

Gentlemen:-

The following is a list of a few membership renewals with checks attached which were received at Boerne and Comfort during the past week. As there is only one renewal from Boerne, the check for this is and membership is included with the others below.

The work of the past week has been mostly of a missionary nature. The reaction of the members has been quite slow, but they are beginning to understand, and appreciate the service of the Old Spanish Trail.
