

the realization of our efforts would mean a road for passage of forces, munitions and supplies over land and along the southern borders of our country that might be of very considerable governmental military value.

I have had occasion heretofore from time to time to correspond with your goodself touching the Old Spanish Trail, and I believe that you are sufficiently familiar with it to need no explanation on the subject now.

If you should find it practicable to comply with our earnest wish, I should much appreciate your having your secretary to promptly notify Mrs. F. R. S. Phillips, Convention secretary Old Spanish Trail Association, Room 5 First National Bank Building, Tallahassee, Florida.

Assuring you of my respects, I am
