Gentlemen:

We regret to note that it is considerably over a month ago since we heard from you last, although we have written you under date of May 12 and 23 with reference to our past due balance amounting to \$90.00.

You will, of course, appreciate the fact, we cannot carry this account indefinitely in its present condition, inasmuch as it is now three months past due, therefore we must insist upon receiving immediate settlement.

Please give this prompt attention and we will expect your reply to reach us not later than by Monday of the coming week June 12.

Very truly yours,

THE MEYERCORD COMPANY, Inc.
