EMBAJADA DE ESPAÑA
WASHINGTON

III-A c 14.

Mr. Harral Ayres,
President, Old Spanish Trail,
Gunter Hotel,
San Antonio, Tex.

Dear Sir:

As I am affaid that I do not have here a complete information in order to give you an exact idea of the designs of the flags used in Spain from the time of the Kingdom of Fernando and Isabel, I have forwarded a copy of your letter to the appropriate authorities of my Government and as soon as I hear from them I shall communicate with you again.

In the meantime, believe me

Very sincerely yours,
