168.5	Jacksonville, "		Tue. April 2	Lunch en route
40.5	St. Augustine, Fla.	" " "	

Note: On April 3, the Old Spanish Trail monument will be dedicated in connection with St. Augustine's Ponce de Leon celebration. The return schedule will be worked out later.

EXPENSES

We believe that hotel and meals can be estimated to average \$3.00 a trip from San Diego is 2700 miles long or about 5700 miles for the round trip. We estimate that 25 days will be required. Expenses should not exceed \$200 plus \$100 for gas and oil. This amount, of course, will be proportionately less for cities east of San Diego.
