Dear Harold, just recd. your
bundle of papers - will you least
imagine how glad I'm
to see this project go over
in such a big way = it surely
was worth the 3 months time
you put in on it = I guess
you won't have any trouble now
collecting your dues from all
4 states, it looks good to
me = you owe me about
3 letters - but I know you
won't had time to pay me any
attention, so I will expect you
to write me when you get time
I have gotten out a Brownville
Dir. ~~Butcher~~ as per copy enclosed -
hope you will approve of it.
I am enclosing some other
clippings = anything loose good
for the Brownville trip - I am
getting them ready to ask them for
the other 50% = it is thing
now = good love to you
Yours
Dor
