Mr. Harral Ayres,
Box 301, Gunter Hotel,
San Antonio, Texas.

Dear Harral:

I am in receipt of your letter of
the 13th.

I, for one, certainly know of the
sacrifices you have made in the O.S.T. work
and I also know that there is not one in a
million that would have given of his time and
money as you have done for this public work,
even though it was a most important one and
while there is probably little consolation
in it, all of your friends know that it was
you and you alone that put it over.

I do not know of anything right off
the bat that I could do to be of assistance
to you in getting established but I want
you to know that if I can ever be of service
in any way, I want you to call on me.

With kindest regards and best wishes,

I am

Yours very truly
