

Crawshaw--II

works that surpass those of the West.
to paved roads and a line equal to that of Europe... and in Mexico are Spanish
it can be seen and invited with many miles
is extended. The southern roads and bridges are among the finest in the continent.

the Old Spanish trail is a gift to the nation of the southern and the Texas
people. When all dreams come true, it will be a gift that will live
in all the hearts of the Spanish conquistadores, colonizers, builders and
builders.

Modern Crusades
