Dear Herral:

Yes, I am filing the article by Sarah McKellar and was so glad to see it. I will tell her what you said, and I know it will please her.

I have been wondering how to get in touch with you and your note was most welcome as it gave me a clue.

Fred Chabot has been trying to get you but was as much at sea as I was. He is particularly anxious to enroll you as a member of the Yanaguana Society and asked me to please get your address for him. The first meeting, which is open to all who are interested, regardless of whether they join or not, will be held on Wednesday evening at 8 o'clock at the Gunter. You certainly should be there and I hope we will see you.

Sincerely,

*Eleanor Underdonk*
