Meaning of the first coat  
of arms. —

— I am inclined to believe that  
these pictures are not coats  
of arms, but oriflammes  
red banners with heraldic  
symbols in. If they be  
coats of arms are not  
according to the rules  
of heraldry —

The first one tells us the  
history of a ~~king~~ noble in-  
fanzon see feathers etc. —  
crusader (the crosses) from  
Vizcaya (Spain) the pine and  
woolfs) intrepid as the  
eagle ready to cross the space,  
and to run the whose name  
was Orbe symbolized by the  
two balls (orbis)
