For further information address Secretary,
TALLAHASSEE BOOSTERS' CLUB.

I have been swamped with the Chautauqua work, so that to keep up the trail part of the work I have worked long hours, ranging from 4 A.M. to 12:30 midnight, etc. So that I have not had time to write detail letters, but you knew that I was working for the good of the OST. Forgive my silence. I have not failed you in anything I could put over. Invitations West have all gone out, except New Orleans still gives me no list. But sent Delegate cards to all on your Bulletin list, to appoint delegates (several cards to each Wilson and Houston can not come: Keller may or may not. Had wire from Mayor Lowry last night. He is in Houston. Wired they had big meeting with Rotary Club and everything all right. Thank you for all you have done. No word about the photographs of scout car at Mobile. Will hope to have a breathing spell to write you Sunday. Get into the Bulletin, next week, please, about railroad rates from all points, Mobile to Tallahassee and intermediate points. I am still working with J. & N. for rates from New Orleans and Houston. Sent fusey GPA, Louisville, long list of addresses to which invitations have been sent and he will have them personally solicited to come here. Best regards. Excuse haste. Please post Pres. Pillars.

NO TOUR OF FLORIDA IS COMPLETE UNLESS YOU SEE THE CAPITAL CITY
