City,

Dear Stewart:

I beg to return herewith Harry Locke's letter and the letter to Harry from Mr. Myers. I think it would be well to show this to Bill Clemens, but further action, I do not think we should take. I appreciate Harry's goodwill and I know he is doing this for the Trail, but I don't think we ought to butt in to what these gentlemen are doing. Incidentally the Trail is getting additional advertising.

Yours

Enc.
