

ABSOLUTELY FIREPROOF EUROPEAN  
SAN ANTONIO HOTEL CO. OWNERS  
PERCY TYRRELL, MGR.

to San Antonio July 31st. with the  
intention of carrying Dr Johnston &  
D E Cep thru the Convention, having  
concluded to overlook many things. When  
I appointed his committee August 17 I  
knew then his continuance was impossible  
and as evidence I am repeating on  
the enclosed the questions I outlined  
at that time, and their answers.

We have far more serious problems  
to solve than you realize & without  
an aroused spirit I do not  
know how we are going to solve  
them
