BOOSTERS' CLUB.

Mr. S. A. LeBlanc, Secretary,
Old Spanish Trail Association,
Mobile:

Dear Mr. LeBlanc:

I forgot to ask you to give me copy
of the Resolution adopted by this Club, which was
attached to the Joint Resolution sent to the Florida
Legislature (it was all attached together, is my recol-
lection). I have no copy for the Minutes of the last
meeting of our Club. I expected to get back one copy
loaned to Mr. Craft. The bunch you gave me, of the
Minutes of the Convention, does not contain the Club
Resolution. If you find it among your papers, would
appreciate having it; or will do the best I can to
get one. The printed books of the Legislature are
scarcer than hen's teeth, but may be able to get a copy
to send you, later on; this does not harm me much, at
this time. However, it was all my fault, so do not let
it worry you, in the least. Am making copies of the
proceedings, and will return your papers without delay.

Hope you had a chance to get some rest on
the trip home. Everybody wanted to see you, here, so you
did not have much time for any here. Am sorry things did
not turn out to your liking. I tried to go my limit to
serve you; sorry I was misunderstood. Isn't it funny how
some things can hurt when one has tried to do ~~the~~ best
and failed miserably. By the way, reverting to part of
the telegram I sent to President Pillans--it was you who
had the last straw, not he. X Will get out coms OST publicity
in a few days and send you copy, with my report on where I
sent it. With best wishes for your success, and
thanking you for your many courtesies to me, I am,

Very truly,

F. R. S. Phillips
Secretary.
