August 28, 1922.

Mr. Harral B. Ayres,
Managing Director OST,
San Antonio, Texas.

My dear Ayres:

Thank you for your kind letter of 25th.

Among the mistaken impressions indicated in your letter is the statement that they pulled me out; I pulled myself in this crowd, although they were very nice to me when I got in, and it was a fine bunch of fellows who did a splendid piece of work.

I think you will be interested in two letters I have just written, copies of which I enclose.

I really think the story in the Sunday States would be a good thing to get into the hands of every OST fellow who likes to read, if you are able to find them. I am sending copies to Senator Craft, Professor Callan, Mr. Batson, Mr. Gramton, Senator Rogers and Mr. Keller.

With regards and best wishes, I am

Yours truly,

Det.
