Mr H.B.Ayers, Director Gen'l
Old Spanish Trail,
San Antonio Texas.

Dear Harrel,

I am pleased to hand you attached hereto New York draft for \$ 150.00 and am very hopeful of doing the same thing again in the very near future as our boys have agreed to give \$ 300.00 as Pascagoula quote.

On the 17th, I stopped in Biloxi and had a long conference with John Kennedy regarding the straight bridge across the Biloxi Bay. Mr Kennedy was kinder slow in getting the idea being of the impression that such a matter was too big to be talking at this time. However, I was very much please when Dr Welch, President of the Biloxi Chamber of Commerce was talking in Ocean Springs on the 22nd, he presented to the Ocean Springs people this question of a streight bridge. You would have been surprised to note how they received this metter and I am very hopeful that we will be able to talk Ocean Springs in the idea of eliminating that grape vein road from Ocean Springs to Biloxi and get this SHORT and STREIGHT road now and not ten years hence.

If it is not asking too much of you will you please write Mr Fred Taylor, Secy of the Jackson Board of Supervisors asking them to give me a pass over the Pascagoula River Ferry. You can readily see that there will be more or less running up and down the coast from now on
