

To Deep. My Daughter appreciates being remembered  
and Our Little Boy, we all enjoyed everything.  
Please extend to Mrs Drought my warmest regards  
and best wishes and I shall write her when  
I return to Mobile as I do not have her  
address with me, and I shall be very glad  
to receive the copy of paper telling about the  
wonderful ceremony and I am grieving  
over the loss of my Invitation as the Chamber  
of Commerce borrowed it so as to give you  
some publicity in Ala + it was lost. I would  
so much liked to have kept it, for as you  
pay it so unusual and I am sure every  
State feels very proud of you  
Yes indeed I certainly enjoyed California I  
was there five months it is certainly a most  
wonderful country  
again let me say I so much appreciate  
being remembered with invitation to the  
this beautiful affair and I wish you  
may have many more honors given for you  
deserve them all

With best wishes ever
