

My impression is that the trail follows the Bankhead practically the entire distance through Arizona, with the exception of the extra distance covered by the O. S. T. from Douglas to Tucson in order to take in Nogales.

I am sure that Senator Ashurst is in sympathy with your plans and will be glad to help at any time. Of course he is very busy at present.

Yours for service,

A handwritten signature in cursive script that reads "Harry Welch". The signature is written in dark ink and is positioned above the printed name and title.
