

"MAIN STREET" OF NORTH AMERICA

City of Winnipeg to City of Mexico

2277 miles of High Gear Highway, United States and State Primary Highway. Daily stages operate over it across Nebraska and Kansas. Almost every city on M. H. has a free Tourist Camp. The M. H. is the straightest and easiest road to travel across the United States. Until the new M. H. bridge at Yankton is opened about July 1st, the ferry will be used. All other streams are bridged. The Mexico division is passable to Monterey.
