Dear Sir:

Reference our conversation yesterday:

I am informed that the officer in charge of the Corps Area Engineer office at the Eighth Corps Area Headquarters at present is Captain Clay Anderson.

The Mr. Greene to whom you referred is a Warrant Officer of the U. S. Army. His name is W. Greene, and he is in charge of the Map Department of the office.

If you need any other information in regard to which my assistance may be of value, I shall be glad to give you such assistance as may be within my power.

Very truly yours,

ERNEST HINDS
 Atty-Sec-Treas.
