Bell Building, Montgomery, Alabama.

Dear Sir:

I am requested by Mr H B Ayres, Managing Director of the Old Spanish Trail, with office at Battle House, Mobile, Alabama, to mail you copies of the North and South regarding Satsuma orange culture.

I have much pleasure in complying with Mr Ayres' request, and have also included in the package sent you under another cover the Baldwin County, the Riviera, which takes in the section between Mobile and New Orleans, and the West Florida editions. Each of those districts is served by the Old Spanish Trail.

Very truly yours,
