BEAUMONT, TEXAS,

Mr. Herral B. Ayres,
San Antonio, Texas.

Dear Mr. Ayres:

The statement put out at Crowley attacking the Old Spanish Trail organization was submitted to The Enterprise for publication but was turned down. We could see no good to come out of it.

You have done a good work for the O.S.T. and everytown along the route ought to be appreciative.

When you come to Beaumont don't fail to call and see us.

Yours truly,

Ed Enterprise
