

Sept. 20, 1917.

Mrs. F.R.S. Phillips,
Asst. Sec'y for the East,
Tallahassee, Fla.

Dear Mrs. Phillips:

Walter Williams has just sent me copy of
Sept. 15 Jacksonville Times-Union.

I used to think I was Secretary of a lot
of things, but I resign in your favor. Take this
bullet that bridge across the Appalachicola and help unite
North Florida. The Old Spanish Trail is the only high-
way that crosses entire North Florida. Keep your North
Florida C. of C. pushing it, and it will help them.

Yours truly,

SALOB/MS
