Dear Madam:

Referring further to your letter of March 27th,  
relative to special fares account of above occasion.

This matter was resubmitted to the Passenger  
Traffic Officers of interested carriers, and Mr. R. D. Pusey,  
G. P. A. of the L&N RR, requested that fares be published  
from Mobile and intermediate stations up to Pensacola, also  
from Foley and intermediate stations to Bay Minette, which  
fares are in addition to the fares published in Joint Passenger  
Tariff No. Exc. 3084, sent you with my letter of March 26th.

I enclose, herewith, copy of Joint Passenger Tariff  
SP. Exc. 3086, authorizing these fares.

The Passenger Traffic Officers of other interested  
carriers advised that they do not feel they ~~could~~ change  
their previous announcements, as the result of which Joint  
Passenger Tariff No. Exc. 3084 was issued.

For your information will state that Mr. C. B.  
Ryan, G. P. A. of the Seaboard Air Line Ry. will issue individual  
tariff authorizing fares from Jacksonville, River Junction and  
intermediate points.

Very respectfully,

*W. H. Howard*
