

The Old Spanish Trail

The missing link it must be built
Along the Spanish trail
If you expect the tourist
To come into your land
You must provide a good road
You must provide a way
Whereby he does not have to pay
Two and three times a day
To cross your many waterways
Along the Spanish trail
And when you have completed
The task that ~~is~~ now you need
We sure will tell the tourist
Of what a sure he'll meet
If he will travel ~~along~~ all along
The famed Old Spanish Trail
