Little Orphan Annie and her famous dog, Sandy, are on your radio every night at 5:45.

They've got a new friend, Joe Cornsattel and Annie, Sandy and Joe are becoming the most famous characters on the radio. They have new adventures every day—and nobody has ever heard such thrills and fun as comes to these two kids and their dog.

They're on 32 stations throughout the country, and already in hundreds of thousands of children everywhere. 5:45 means just one thing—Little Orphan Annie time.

If you're not listening in every night, you're missing the radio treat of your life—every night, except Sunday, at 5:45. Listen in tonight!
