Mr. Marral Ayres,
CST Managing Director,

My dear Mr. Ayres:

Under separate cover I am sending you today the positive photostat copies of the slides and other material you wish. I have sent you two positive copies of each and I have marked the colors of the original on one of these only.

You will receive a bill for these photostats from the office of the Librarian in the next two or three days.

Sorry that I could not send you these before.

Sincerely,

C. Castaneda
