Tampa's Cigar Record Broken During October

TAMPA, Fla., Nov. 1. (AP)—
All records for the number of
cigars produced in one month,
were broken here in October, ac-
cording to reports published to-
day by the internal revenue bu-
reau.

A total of 57,757,888 cigars
were made last month, eight mil-
lions more than in September
and seven million more than in
October last year. The previous
record was established in Octo-
ber, 1923, when 56,027,910 smok-
ers were turned out.
