Dear Sir -

Some time ago I saw your Mr. N. J. McKenna in reference to having an ad put in a pamphlet you were to issue during March.

Since he left here I wrote to him in Jacksonville and the letter was returned to me, so I saw Mr. Marsh and he gave me your name & address.

Now what I want is an ad for my Ferry boat over Escambia bay giving schedule &c. He promised to let me hear from him in time to get in this issue & his price for the space was \$10⁰⁰. He also suggested that I join the association & make my ferry the official O.S.T. ferry. Any information you can give me will be appreciated.

Yours truly

H. A. Brosnahan
