The Old Spanish Mission Fields

The Spanish missions were nuncrous thruout the Spainpossessions in the Americas. Five Spanish mission center a
in the present United States along the Old Spanish Traill; is
of these were extensively developed outposts of the mission
chains that reached from the administrative centers in MedNew Orleans was a French mission center. During the Spain
ceupation of Louisiana and the Mississippi Valley Spain ethlished missions and settlements but later French influence w
re-stabilished.

ST. AUGUSTINE, NORTH FLORIDA-SOUTH GEORGIA St. Accustant. Augustine, Fla., settled in 1505. There is effected of 38 missions in the Florida district. Old Fort St. Luis, Tallahassec country, was an important section. Policida missions were probably of wooder-construction. Policy standing ruin known is of oxeter shell cement in a few sorth of Brunswick, Ga. (See pages 10 and 11.)

EL PASO-SANTA FE. THE RIO GRANDE VALLEY Seen Associated Fig. THE RIO GRANDE VALUE Seen Association of the Santa Fe-El Passo district. Don Juan 08-colonized, for Santa Fe beginning 1598. The El Passo misis settlement for Santa Fe beginning 1598. The El Passo misis settlement for Santa Fe. In 1580 and the Spanish colonized from El Fasso 15 and 15 and

SAN ANTONIO. EAST AND SOUTH TEXAS

SAA ANTONIO. EAST AND SOUTH TEXAS
Third, the San Antonio district. The beginning, howers,
was in northeastern Fexas (Nacogdorders section) in 1690 section intermittent attempts to establish missions there. In 1718four new missions we standished there. In 1718 the mission
work known as the Atamo was transferred to the present of
Antonio and the remarkable Texas mission works were definite
counsed. Five mission groups and ranches were developed and
the San Antonio River; great stone churches still remains
the San Antonio River; great stone churches fall remains touned. Five mission groups and tranches were developed as the San Antonio River; great stone churches atill remain in mission fields were occupied in southern Texts. (See pages X 24 and 26.)

NOGALES-TUCSON. SANTA CRUZ VALLEY

Fourth, the Assaches Tucson. SANTA CRUZ VALLEY Contemporaneous with northern trans and San Antonios finning in 161, the mission efforts spread far and wide strength of the Contemporary of the Santa Santa
