

February 8, 1918.

Mr. R. S. Somerville,
505 Heard Bldg.,
Jacksonville, Fla.

Dear Sir:

Your letter of the 24th ult. to
the Mobile Register has been referred by them to
us for reply.

I am sending you under separate cover,
official log book of the Old Spanish Trail, which
I think will give you full information in connection
with same.

Customary charge for this book is
\$1.00, which goes to the support of the Old Spanish
Trail Ass'n (who by the way have no paid officers)
and if you are willing, please remit.

We have used similar log books made
by the same man, and have found them a great deal
more accurate than the Blue Book and similar publi-
cations, and we think you will find the same to be
true in connection with this volume.

Yours truly,

SALOB/MS

SECRETARY.
