Messrs. Arnold Printing Co.,  
Jacksonville, Fla.

Dear Sirs:

Your letter of the 7th inst. received.

We are putting you on mailing list for weekly *Old Spanish Trail*  
bulletin, and hope that it proves useful to you.

Difficulty you mention in getting report of conditions, I can well appreciate, as I am continuously running into the same condition everywhere. I do not see how it is that people cannot realize that every time their city is mentioned either in a report as to road conditions or about base ball, or anything else, except, of course, murders, lynchings, or other lawlessness, their city is brought to the attention of the nation and advertised thereby.

Pennacola's great trouble is that they have only one road and that runs to Elomston, but this should make it easier to report?

Yours truly,

SECRETARY.
