4	Mar 1928	Rittiman	+50	-125	-125	-225	"	"			+ "
5	Sep "	Daron	+50	-100	-150	"	"	"			+ "
6	Feb 1930	Greeman	+75	"	-200	"	"	"	1 down		+ 250
7	Jun 1932	Walthall	+75	"	-150	-175	"	"			+ 237
			OK	OK			OK	OK	?		OK

Sorell, bad
Essentially the same and Daron's, good
Correctly made
Old 3 times

Right eye, with present glasses, apparently suffers no difficulty

Left eye aches quite regularly, even with light work

But if I leave the glasses off it does not ache even with reading and work
