Mr. H. B. Ayers,
The Battle House,
Mobile, Alabama.

Dear Sir:

We have your letter of the eighteenth, and in accordance with same we are enclosing an itemized statement of the Old Spanish Trail, showing a balance due of seventy-five dollars.

We trust that you will give this matter your immediate attention for we feel that this account has run long enough and it is our intention to place same in the courts for settlement if payment is not received within the next ten days.

We would regret to take such action, however, and trust that you will not compel us to do so.

Yours very truly,
